Back by popular demand! New Castle County is once again partnering with The Pencader Heritage Area Association (PHAA) to provide its residents with a series of fun and informative local history presentations. History is brought to life with depth including facts and perspectives not commonly discussed. Events are put into context by showing how they connect to one another as well as how these events are still relevant today. You will learn not only the "how and what" but also the "why". Each presentation is followed by a brief, friendly quiz with fun prizes. To register and for more information on this **-FREE-** event: www.NCCDE.Org/Bankbarn
