

# Pencader Heritage Museum

"How strange and yet how common it is  
for people to live long in a community &  
yet to know very little of its history."  
Francis A. Cooch, 1936

## BE A PART OF SAVING HISTORY "PRESERVE THE PAST FOR THE FUTURE"

The Pencader Heritage Area Association and the Pencader Museum are dedicated to showcasing and preserving the history of the peoples and lifestyles of Pencader Hundred. We are open first and third Saturdays of each month and dedicated volunteers are there to answer your questions. We depend on memberships and donations to keep the museum operating, as we do not receive any state or federal funding. Pencader is a 501c(3) organization, all donations are tax deductible. Your donations are our only source of income.

A successful Lifetime Membership drive will enable us to make long range plans, knowing we have funding for new projects.

We sponsor an annual military re-enactors encampment, *Wreaths Across America* program, annual memorial service, ongoing educational signs program, and host hundreds of visitors each year. These are just a few of the opportunities for reaching our goal of educating the public about the history and heritage here in Pencader Hundred. Your membership and contributions make these endeavors possible.
